ANNUAL AUCTION

This once a year event is the talk of the industry. You never know what treasure you will find. Items come from all over the world.

Because of the unique items, the loads that are donated and your generosity, the NWA is able to continue representing the industry in food safety, scientific research, federal lobbying legislation, national queen promotions, member services, along with providing some of the most read documents in the industry; The Vineline and Off The Vine. All this and more, just because of you!

Just a small preview of this year's items!!!!

So, what other treasures will appear? We have seen some pretty interesting things across the years.

Keep your eyes out on your travels, we could use the donations, they make the auction one of the best events of the year!

We Can't Wait!!!!
